

Today's Dentist and Obstructive Sleep Apnea

KUWATA PAN DENT

185 Ridgedale Avenue
Cedar Knolls, NJ 07927

You're invited to join us for our next complimentary seminar.

Dr. Sunita Merriman will present on Obstructive Sleep Apnea (OSA) and address the effect and impact of sleep deprivation on the health and quality of life of a patient. She will highlight the important role of a dentist as a member of a patient's sleep team and discuss how oral appliance therapy is fast becoming a validated and essential part of the therapies available for the management of OSA.

Sunita Merriman, DDS

Dr. Merriman graduated with honors from New York University College of Dentistry. She completed her general practice residency at Long Island Jewish Medical Centre in New Hyde Park, NY with postgraduate training in all aspects of general and hospital based dentistry.

Dr. Merriman is on staff at Overlook Medical Center in Summit, NJ and at The Center of Excellence in Elizabeth, NJ. She loves to teach in part, because she loves to learn and says, "I believe that teaching is all about learning more. It is my pleasure and privilege to share my knowledge and experience, and to give back to my profession."

Dr. Merriman's memberships include the American Dental Association, NJ Dental Association, Union County Dental Association, Dawson Alumni Association, National Speakers Association, American Academy of Sleep Medicine, American Academy of Dental Sleep Medicine, and American Association of Women Dentists. In 2014, Dr. Merriman was inducted into the American Academy of Dental Practice Administration, where membership is invitation only. She is the recipient of multiple professional awards and acknowledgements, including the President's Service Award presented by New York University for distinguished service and contribution to the community, the Samuel Charles Miller Award of Periodontology, the American Academy of Oral Medicine Award and the Quintessence Research Award presented by New York University.

Dr. Merriman has been in private practice in Westfield, NJ since 2000 and founded her Dental Sleep Medicine Center in 2016.
